

Fire 'Em Up!

Project GRILL Unveiling Party

Witness a change in our county's future with a drop of a match. Join us for the unveiling of Project GRILL's six custom grills built by area high school teams and their manufacturing partners.

When May 17, 2008
Unveiling Ceremony Begins at 1 PM

Where Road America, N7390 Highway 67
Elkhart Lake, Wisconsin
Enter at Gate 5 and follow parking signs

Celebrity judges will evaluate each grill on its "fit, form and function." Stay and enjoy the activities of the Road America Family Tailgate Party and the SVRA Spring Vintage Weekend.

Mission

Improve the image of Manufacturing through exposing our community, educators, students, and parents to the diverse career opportunities within Sheboygan County. Ultimately, working towards creating an expansive workforce to sustain the success we are cultivating today.

Sheboygan County Manufacturers Growing Readiness in Learning and Leading:

 **JL French** Automotive Castings, Inc.

ROCKLINE
INDUSTRIES

 **NEMSCHOFF**

Thank you to our participating high schools: Oostburg High School, Plymouth High School, Random Lake High School, Riverview High School, Sheboygan Falls High School and Sheboygan North High School.
